

Job Description – FULL TIME DRIVER (CLASS A OR B CDL)

Job Summary: The full time driver is responsible for the delivery of goods in a safe, responsible, and timely manner. At Valley Green, the full time driver is a “face of the company” so a focus on customer service, conscientious handling and safety is a must.

Job Responsibilities

- Transporting Pesticides, Grass Seed, Fertilizer, and other products for the turf/landscape industry
- Adhering to DOT transportation rules and regulations and safety procedures
- Properly loading, securing, transporting, and delivering items to customers in a safe, timely manner
- Transporting products to/from other Valley Green locations and Vendors throughout the Northeast
- Reviewing orders before and after delivery to ensure accuracy and completion
- Accepting payments for delivered items and properly documenting
- Perform pre-trip inspections
- Fueling of vehicle and monitoring of fluid levels (oil, antifreeze, DEF, etc.)
- Maintain an activities logbook and hours per DOT regulations
- Communicate and cooperate with supervisors and coworkers
- Maintain a clean and safe working environment

Job Requirements

- Valid Class A or B CDL (Haz-Mat Endorsement preferred)
- Valid Medical card
- Good driving record
- High School diploma or GED
- Basic mathematical and reading comprehension skills
- 2-3 years’ experience with Standard-Transmission vehicles
- Experience driving Box truck w/liftgate and Flatbed vehicles
- Experience with driving and using truck-mounted forklift (Moffett, Spyder, etc.)
- Experience using forklift, manual and electric pallet jack
- Must have ability to lift and carry 50 - 75 lbs
- Knowledge of proper safety procedures and DOT Rules and Regulations
- The ability to work overtime and Saturdays as needed
- Must provide own transportation to and from warehouse location

Benefits

- Company-sponsored health care and disability insurance options
- 401K with company match
- Driver retention bonus
- Cell phone stipend
- Paid time off
