

Job Posting: ASSISTANT LOCATION MANAGER, Valley Green - Charlton, MA

About Valley Green

Valley Green, an Advanced Turf Solutions company, is a green industry distributor serving turfgrass professionals in New England since 1990. With seven locations, today's Valley Green specializes in custom grass seed mixes, fertilizers, control products, hydroseeding supplies, application equipment, sports field products, and ice-melters. We're looking for an ASSISTANT LOCATION MANAGER for our Charlton, MA location. Turfgrass industry experience is preferred but we offer training for the right candidate. Full benefits package including company-sponsored health care and paid vacation. If interested, please contact Valley Green Human Resources. We'd love to hear from you!

Job Summary

The assistant location manager helps oversee and manage the day-to-day operations of the location, including operational and counter sales functions. Need to take direction from and work hand-in-hand with the location manager to ensure productivity and efficiency on all required tasks. Must be able to operate the location and be a resource the location manager can depend on when he/she is away. Customers come to Valley Green for quick service and sound recommendations therefore must thrive in a fast-paced environment with a focus on a positive customer experience.

Desired Qualifications

- Secondary degree in Turfgrass Management, Agronomy, Business Management or equivalent
- 2 - 4 years turfgrass and/or landscape industry experience
- 1 - 3 years warehouse environment experience incl point of sale (POS) systems; Forklift certification a plus
- Valid Driver's License (required)
- **NOTE: 2+ years industry/warehouse experience desired however will train for right candidate**

Benefits

- Company-sponsored health care and disability insurance options
- 401K with company match
- Cell phone stipend
- Paid time off
